Peterhouse
ACTIVE CITIZEN AWARD

PACA

PACA Introduction

The Peterhouse Active Citizen Award (PACA) is for Year 6 pupils. The award gives you the opportunity to play an active and healthy part in the life of our school, our community and the wider world. The award is spilt into three key strands: Making More of Me, Me and My World and Learning Unlimited.

Making More of Me

You will take control and ownership of your learning by completing some self-directed home learning. You will choose a new interest or skill to learn. This learning will then be showcased and celebrated in school.

Learning Unlimited

You will be given the opportunity to take part in a block of after-school sessions. The sessions will focus on learning a new life skill such as cookery.

Me and My World

You will work in small groups to carry out a project with contributes to the school community, local community or the environment. Opportunities could include: charity fundraising, supporting younger pupils, a growing project, an environmental campaign, working with the church or developing links with older people.
